ABOUT ME

As a friendly and dedicated team player, I bring a positive attitude and a strong work ethic to every project. With a passion for achieving my goals and a willingness to go above and beyond, I am committed to delivering high quality results that exceed expectations. Overall, I am a hardworking and enthusiastic professional who is always ready to collaborate and contribute to a dynamic team environment.

WORK EXPERIENCE

Frontend Developer
Centar NIT [10/02/2023 – Current]

City: Novi Pazar
Country: Serbia

As a member of a team of three developers, I worked on developing a mobile application for tracking habits using React Native technology. My responsibility was to focus on implementing functionalities such as daily logging, statistics, charts, and data input related to users' habits, including goals and challenges. In addition, I was responsible for testing the functionality to identify and eliminate errors, ensuring the smooth and reliable operation of the application. I also worked on optimizing the application's performance and designing a user interface that was easy to navigate and pleasant to use.

Ministry of Public Administration
Ministry of Serbia [01/12/2022 – Current]

City: Belgrade
Country: Serbia

As an intern in the Department of Public Administration and Local Self-Government, I work in the sector of public and e-government. My job focuses on supporting the development and implementation of public and e-government services to improve the quality and efficiency of public administration. This includes analyzing and developing e-government services, evaluating public services, providing support to users of e-government services, and staying up to date on relevant laws and regulations related to public and e-government.

Tutor
Centar NIT [01/06/2022 – 01/12/2022]

City: Novi Pazar
Country: Serbia

As a frontend lecturer, my job focuses on teaching HTML, CSS, JavaScript, ReactJS, and Redux to students. I prepare and deliver lectures on these technologies, develop curriculums and materials for lectures and exercises, evaluate student work and provide feedback, and stay up-to-date on the latest trends and innovations in web technologies. I collaborate with other lecturers and teams to ensure the quality of the teaching process
